Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The City of Fountain is located just south of Colorado Springs and east of Fort Carson Military Base in El Paso County. Like many communities along the front-range, Fountain has experienced tremendous growth. Although there has been an increase in housing units, dwelling units for the very-low and low-income families are still scarce and waiting lists for public housing and tenant based assistance remain long. The PHA closed its tenant based waiting list for Section 8 assistance and the waiting list for its Section 8 New Construction units in May of 2003 due to the large number of applications. The PHA anticipates re-opening its waiting lists in 2005.

The PHA is committed to promoting activities which serve to improve the housing stock and quality of life in the City of Fountain for all citizens and in particular for very-low and low income families. To that end, the PHA has developed this Annual Plan for the year 2005.

This Annual Plan sets forth the housing needs of the community developed through a review of the State of Colorado's Five Year Consolidated Plan, the State of Colorado's Consolidated Action Plan for the year 2004, and a review of the PHA's waiting list.

The PHA does not anticipate any changes in the statement of policies that govern eligibility, selection, and admissions for the PHA's housing programs during the 2005 fiscal year.

This Annual Plan sets forth the capital improvements that the PHA has accomplished over the last year as well as the capital improvements the PHA hopes to complete over the next year along with its Capital Fund Program 5-Year Action Plan.

The PHA continually strives to meet its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The PHA made progress toward meeting the goals set forth in its 5-Year Plan for the fiscal year period 2000-2004 as follows:

1. EXPAND THE SUPPLY OF ASSISTED HOUSING

The PHA entered into a limited liability partnership agreement for the development of 75 low-income units under the low income tax credit program. The PHA received a grant in the amount of \$218,000.00 to defray some of the construction costs of the project. Construction began in April of 2003 and occupancy began in fiscal year 2004.

The PHA continues to promote efforts to develop affordable housing projects throughout the community.

2. IMPROVE THE QUALITY OF ASSISTED HOUSING

The PHA obtained High Performer Status on the SEMAP assessment for the fiscal year 2002, improving its score by twenty percent from the prior year.

The PHA obtained High Performer Status on PHAS assessment in fiscal year 2001 and has maintained that status for all successive years covered by the five-year plan.

The PHA is continuing to improve operations to maintain High Performer Status on both scoring systems.

The PHA recently upgraded its computer systems to improve management operations of the PHA.

The PHA completed capital improvements to its public housing facility under the CFP program.

The PHA also received a score of 99.4 on its most recent REAC inspection of its public housing facility.

The development of new housing units has improved the quality of life and economic vitality of the City of Fountain.

The PHA provided assisted families with resource lists and referrals to appropriate community service agencies.

6. ENSURE EQUAL OPPORTUNITY IN HOUSING FOR ALL AMERICANS

24 CFR Part 903.7(r)

If so, continue to the next question.

Does the activity help the PHA achieve a goal set forth in the 5-Year Plan?

If not, there is a significant deviation from the 5-Year Plan.

If so, there is no significant deviation from the 5-Year Plan.

b. Significant Amendment or Modification to the Annual Plan

The PHA uses the following basic criteria to determine whether there is a significant amendment or modification to its Annual Plan: If the activity involves the need to adopt new policies and procedures that were not set forth in the Annual Plan; or if an activity requires the use of financial resources that were not set forth in the Annual Plan; there is a significant deviation from the PHA's Annual Plan and an amendment or modification is needed to the PHA's Annual Plan.
